Secured by Design

Secured by Design is the official UK Police flagship initiative supporting the principles of 'designing out crime' by use of effective crime prevention and security standards for a wide range of products and applications.

Only products which have been tested and meet the required technical standard can be awarded the Police Preferred Specification.

For more information on this initiative refer to:

www.securedbydesign.com

Insurance approved security

The rigorous LPS 1175 burglary resistance standard is operated by the Loss Prevention Certification Board (LPCB). LPCB are the UK's leading independent certification body and the LPS 1175 standard is recognised and endorsed by 16 organisations including the Association of British Insurers and the Association of Chief Police Officers.

For more information on the scheme refer to:

www.brecertification.co.uk
